MEMORANDUM FOR: Director of Central Intelligence

THROUGH: Director of Logistics
 Deputy Director for Administration
 Deputy Director for Science and Technology
 Comptroller

FROM: STAT
 Director, Foreign Broadcast Information Service

SUBJECT: Purchase of Office Space - Swaziland

1. Paragraph five contains a recommendation for the approval of the Director of Central Intelligence.

2. FBIS has completed all negotiations with the Department of State and the Government of Swaziland leading to the establishment of a new Bureau in Mbabane, Swaziland. The Bureau complement will be Agency staff employees and Foreign National employees. STAT

3. Office space is not available from the U.S. Diplomatic Mission nor is adequate office space available in Mbabane. FBIS will therefore be required to establish its bureau in a private dwelling as has been done in other locations. While residential housing within the city is limited, an FBIS TDY officer has located one potential house for sale that could accommodate the personnel and equipment.

4. Purchase would be through the Office of Foreign Buildings, Department of State, who estimate the cost at approximately \$130,000. Purchase action is subject to Congressional appropriation approval for FY 1982 and this limitation also applies to the earlier approval by the DCI for the purchase of staff quarters. STAT

5. It is requested that the Director of Central Intelligence authorize the purchase of 1 residential unit in Mbabane, Swaziland, for the FBIS Bureau.
